PRIMARY ELECTION EDITION OF NEWS BRINGS COMMENT

Petty Says Every Civics Teacher Should Have Copy

Every teacher of Illinois civics should have a copy of last week's primary election special edition of the Antioch News, in the opinion of County Superintendent of Schools W. C. Petty. This assertion is contained in a letter of comment the News received today from Mr. Petty. The county school head also commended the News for its fair and courteous treatment of the candidates and their platforms.

Mr. Petty says: "Fleming remained to visit the McDonald family at River Forest. Mr. and Mrs. Charles Miller, daughters, Chicago, spent the end with Mrs. Miller's sister Mary Sheen, and attended the party and dance at Social hall on Saturday night."

Mrs. Luann Patrick, son and Hiram Patrick were Sunday guests of Mr. and Mrs. Patrick, Salem.

Mrs. William Kruckman, Mrs. William Kruckman, called on the Patrick to Sunday.

John Mutz, Jr., and Peter Maehrer visited the former's father at a Chicago hospital on Sunday, reporting her condition as favorable.

Not only is the News in its editorial columns but its business dealings are above criticism. Following the publishing of the special edition last week an affidavit attesting to the country-wide rural distribution was obtained from the receiving postmaster and a copy of this sworn statement has been forwarded to each advertiser.

Extraneous claims regarding circulation avail nothing but merely separate the advertiser from his money. The News does what it claims and actually does aid those who use its columns for advertising.

Conclude Holy Week With Special Easter Services And Music

Special Easter services and music will bring to an effective conclusion the religious observance of Holy Week in Antioch churches.

A week of intensive worship during the days preceding the Crucifixion and Resurrection by the members of St. Peter's Church will be concluded by Father Francis Flaherty with the following special services: Holy Hour service tonight; service tomorrow morning at 8 o'clock; Veneration of the Cross tomorrow evening at 8 o'clock; Annual Blessing of the Baptismal Water and Paschal Candle Saturday morning at 8 o'clock; a special mass in anticipation of Easter; Confessions Saturday evening; Easter masses at 8 and 10 o'clock Sunday morning, with special Easter music at the 10 o'clock mass.

St. Ignatius' Schedule
Three hour devotions from 12 to 3 o'clock will be conducted by Rev. Rex. C. Simms of the St. Ignatius Episcopal Church tomorrow afternoon. A children's service will be held at 4:30 Saturday afternoon.

Rev. Simms will conduct his farewell service Easter Day, with a Holy Communion at 7:30 A. M. and Holy Communion and Sermon at 11 A. M.

Cantata at M. E. Church
The annual cantata featuring special Easter music will be presented by the members of the Methodist church choir tomorrow evening. This year "My Redeemer Lives," by Ira B. Wilson, is being sung.

Rev. Loyal V. Siller, pastor, announces the following services: Communion tonight at 7:30; a Sunrise Service for young folks at 8 o'clock Easter morning at Sherwood Park, Lake Villa, Fox Lake, Ingleside and Antioch Epworth Leagues; regular Easter service at 10:45 Sunday.

Penny-a-meal Banks are to be brought to the church Sunday instead of Monday evening, as the Monday evening meeting will not be held as planned.

Local Merchants To Sponsor J. B. Rotnour Players

"Where Is Elmer," is the title of the first performance by the J. B. Rotnour Players at the Crystal Theatre on Friday night, April 6, when the popular Company appears here in the first of three Friday night shows, sponsored by Antioch Merchants. There are nine people in the company. Vaudeville acts will be introduced between the acts.

The idea of merchants giving free tickets is a very excellent one and shows a very friendly feeling on the part of Antioch business firms who always have encouraged the appearance of legitimate attractions for the town.

The names of sponsors of the three shows will be found in an advertisement of the Company in this issue of the News. Free tickets may be obtained from these business places. The only cost to see the show is a ten cent service fee charge at the box office.

DEATH COMES TO AGED ANTIOCH WOMAN

Mrs. Mary Hoyer, Long of This Vicinity, Came from Ireland in 1871

Mrs. Mary Hoyer, 78, passed away at her home on Orchard street Friday, March 23, following an illness of two weeks. She has been a resident of Antioch and vicinity for many years, and leaves a wide circle of friends to mourn her loss.

She was born in Mayo County, Ireland, May 27, 1855, and came to America in 1871. Until her marriage with Michael Hoyer, she lived in Chicago, but began her married life on a farm in Salem Township.

For many years she made her home on a farm near Antioch, moving here ten years ago. Her husband preceded her in death twenty-three years ago. Surviving her are two sons, James of Kenosha, and Oliver of Waukegan; one daughter, Mrs. Frank Hunt, Antioch; one sister in California, two brothers and one sister in Ireland; several nieces and nephews of Chicago, and one niece, Sister M. Lucia, O. S. D. of Minneapolis, Minn.

The funeral was held from her daughter's home on Monday morning, with Requiem High Mass at St. Peter's Church. Interment is at Mt. Carmel Cemetery.

Rotary Clubs To Sponsor Boxing Show For Crippled Children

The Waukegan and North Chicago Rotary Clubs are this week sponsoring an all-star boxing show to be held at the Waukegan Township High School gym, on the night of April 4th, 1934, at 8 o'clock P. M., to benefit the Lake County Crippled Children's Clinic.

The American Steel and Wire Club of Waukegan sponsored the show last year which attracted 4,000 fight fans and in the neighborhood of \$1,000 was raised for the use of crippled (children) in securing hospitalization and medical attention needed.

To Be Annual Affair
This event is to be an annual affair and will be sponsored again next year by some prominent civic organization of Lake County.

An exceptionally fine card of nine bouts has been arranged by Henry F. Wallenwein, who has participated in arranging nearly all of the boxing cards in Lake County during the past eight years. Wallenwein has refereed over 8,000 bouts.

Included on the card for Wednesday night's show are many Golden Glove champions and OYO champions. In addition to the boxing, the Waukegan high school band of seventy pieces will play and other entertainment features are being arranged.

Frank Brogan returned to his home in Mohrville, South Dakota, after spending the past five weeks with his sister, Miss Marie Brogan, and brothers, Claude and Clarence.

Race For Precinct Committeemen To Draw Record Vote In County

Rumors of complete re-organization of Lake county central committees both in the Republican and Democratic parties, has produced what is said to be the largest crop of candidates for precinct committeemen in the history of the county. In Antioch township 13 candidates have filed petitions or expressed their intention of becoming candidates. The list includes seven Republicans and six Democrats.

Rumor New Boss Is Sought
Rumors that both John O'Keefe, chairman of the Democratic central committee, and Judge Clarence Goodwin, leader of the so-called Goodwin faction, are to be dethroned following a two-year patronage fight, are being circulated freely about the county.

Internal strife is said to have placed the party at a disadvantage through inability to put up a united front against their Republican opponents, and that now the Jeffersonians seek to eliminate these two "bosses" and place the crown on some other Democrat in order to promote harmony.

One hundred and ninety-five Democrats have filed for precinct posts, and 121 candidates seek committee berths in the Republican party.

Thirteen Candidates in Antioch
Of the 13 candidates in Antioch township five Republicans have filed in Antioch precinct number one. They are: John D. Dickson, Antioch auto tire salesman and repairman; C. K. Anderson, president of First National Bank and acting committeeman; Albert J. Tiffany, son of the late A. N. Tiffany, former committeeman; Joseph C. James, Antioch realtor; and James Hanrahan of Grass Lake.

Chase Webb is unopposed for re-election from precinct 2; and Albert Friedie is the lone O. P. entrant from Antioch 3.

Republican candidates in Lake Villa are William M. Marke and Walter Paske. George Kay, of Ingleside, is candidate from Grant precinct 1, and Howard L. Scott, present committeeman from precinct 2 is a candidate for re-election.

In Newport township Oliver Patch is the sole O. P. candidate.

Two-Man Battle in Antioch 1
A spirited but friendly campaign is being waged in Antioch precinct 1 between Einar Sorenson and Paul L. Chase for the Democratic committeeman job. This race is expected to bring out the full vote of the precinct.

Chase, former commander of the Antioch Legion post, is now a state motorcycle policeman, and he is said to be receiving strong backing in the precinct. The election of Chase, his backers claim, would place the precinct in an advantageous position so far as patronage is concerned, as Chase already has a job with the state and is not seeking another.

Sorenson who quit the sheriff's race, declaring that there were too many candidates for the good of the party, and who is one of the most active Democrats in the county, is Chase's only opponent. Two years ago Sorenson was a candidate for congress from the tenth district, and (Continued on Page 5)

H. S. PRINCIPAL HAS SLIGHT STROKE

L. O. Bright, principal at the Antioch Township High School, suffered a sudden stroke last Friday morning, while in his office. He was taken to his home in an ambulance, and by evening had partially regained movement of his limbs.

He left this morning, in company with C. L. Kull and Earl Horton, for the Mayo Bros. clinic, Rochester, Minn., to determine the cause of the stroke.

H. H. Rolcher has been appointed acting principal during the absence of Mr. Bright, by the members of the high school board, and Roger Dardenne is substituting in his classes.

Father of Mrs. Geo. Bacon Passes Away

Mrs. George Bacon was called to Ringwood Saturday by the death of her father, William A. Dodge, 82, who had been ill for some time. Funeral services were held Monday.

He is survived by four daughters, ten grandchildren, two great-grandchildren, two sisters, and his widow.

LYONS TO PUSH BILL TO CUT AUTO LICENSE FEE OF \$3 ON ALL CARS

Representative Favors Flat Fee of \$3 on All Cars

Relief for the Illinois motorist will be pushed by Representative Richard J. Lyons of Mendelevin in the form of a bill in the next session of the general assembly if he is reelected, according to a statement made by Lyons earlier this week.

This move is expected to swing a large number of Democratic votes, as well as assuring him of a more solid support from the Republican party, for Secretary of State, Edward J. Hughes, a Democrat, recently stated that something must be done to ease the motorist's burden.

"The automobile owner pays more than any other person to support government in the state and nation. Last year his bill in Illinois was \$50,000,000, more than one-third of the entire state revenue," Lyons pointed out. "This year the registration fees will bring about \$10,000,000; gasoline tax, \$23,000,000; federal aid, \$1,500,000; fines and miscellany, \$250,000, totaling \$48,750,000."

Lyons believes that a \$3 license fee for all types of cars would be equitable. The lowest rate is now \$8, not including a 50c fee for certificate of title.

OAKLAND HOTEL DAMAGED BY FIRE

Is Saved by Antioch Fire- men; Damage Amounts to \$500

Valiant efforts of the members of the Antioch Fire Department saved the Oakland Hotel on the west side of Channel Lake from being totally destroyed by fire last Friday night.

The fire, according to the caretaker, Les Rogers, was caused from a defective chimney and overheated stove. The fire was discovered shortly after seven Friday night, and a call put in to the fire department. The firemen battled the blaze for two hours before effectively checking the flames. Two firemen, Cletus Vos and James Stearns, fire chief, were slightly injured during the struggle.

Damage to the building was estimated at about \$500. The interior of two rooms was badly damaged, plaster downstairs ruined, and a few items of furniture and personal property was saved.

The hotel, which is owned by a Mr. Walsh of Chicago, was insured.

An Old Landmark
The Oakland Hotel was one of the first lake resort hotels to be erected in the lake region, having been built about forty years ago by A. C. Paddock. It was formerly known as the Dressel House, and was run by the father of Mrs. Anna M. Robinson and Miss Othella Dressel, present proprietors of the Dressel House at Lake Marie.

A grass fire in the Morley subdivision, Lake Catherine, was checked by the fire department Monday.

Special Election Called For New Fire Protection District

Voting on the proposed new fire protection district embracing all of the Antioch Township east of Fox River exclusive of the village of Antioch will be held at the Emmons School House Dist. 33, in a special election called for Saturday, March 31.

The creation of the proposed new district is being urged for the purpose of insuring greater protection to the farmers and residents of the resort and rural territory. It is designated as the "First Fire Protection District of Antioch Township."

It is expected that the proposal will be approved without any opposition, as the original proposal collected the signatures of over a hundred taxpayers. No opposition was raised in the hearing before Judge Paul J. Brown.

For Lower License

Representative Richard J. Lyons

The Illinois motorist is not "The Forgotten Man!" So thinks Representative Richard J. Lyons, who says the autolist is remembered upon each and every occasion when there is a tax to be levied. Dick is in favor of reducing the cost of license fees in this state, and declares that he will introduce a bill in the legislature for this purpose. Think of it. A license fee of only three plunkers! Wouldn't that make a hit with the "vox poppers"?

C.W.A. WORKERS AT HIGH SCHOOL DISBAND

Expect to Resume Work in April; Additional \$700 Is Granted

All work on the high school project will temporarily cease Saturday, March 31, according to Timekeeper S. M. Wallace, who said that the remaining fifteen workers have been ordered to halt work in accordance with the conclusion of the demobilization of the CWA armies throughout the nation.

The project is certain to be continued some time after April 1, according to District Engineer A. L. Ball, North Chicago, who inspected the project this week and declared it to be one of the most worthwhile projects to Lake county. More progress has been made and more actual results are apparent than on any other CWA project in the county, he said. He is having a number of pictures taken of the various aspects of the work.

George White, president of the school board, announced receipt of an additional grant of \$700 approved by the Chicago office of the Federal Emergency Relief Association for the purpose of maintaining the foreman, timekeeper, landscape engineer, and skilled laborers. Whether or not this grant will be reappraised by the new relief organization to supplant the CWA remains to be seen.

At present authorities adhere to the belief that the most worthy projects will be continued after April 1 on relief labor.

Legion Men Plan Big Time For Second Annual Dinner Dance

Event to Be Held at Pasadena Gardens on April 5

Plans to make the Antioch Legion second annual dinner-dance to be held at Bruno Rojewsky's Pasadena Gardens next Thursday one of the real events of the year are nearing completion, according to committee members who are working hard on preparations to care for a throng of guests which is expected to exceed last year's attendance of three hundred.

This year's open house will be \$1.00.

FARM BUREAU GETS RECORDS OF EIGHTH DISTRICT CANDIDATES

Nick Keller Exemplifies Public Spirit When Aid- ing Dairymen

WAS ON COMMITTEE TO END STRIKE IN '29

While Representatives Lyons, Carroll and Bolger of the eighth district, can cite their records in support of their claims that they have favored constructive measures for the benefit of the farmer and dairymen, it has been left to other candidates either to show that they are in sympathy with this large number of voters, or have actually aided the agriculturists in other ways.

Lester T. Tiffany, now completing his term as sheriff of Lake county, and who is a candidate for Representative on the Republican ticket, is a farm owner and a member of the Pure Milk association. He declares in his platform that he is in favor of all measures which will relieve the tax-burdened farmer.

Keller Aids Dairymen

Inquiry by the Lake County Farm Bureau into the attitude of candidates for state representative toward agricultural interests last week disclosed that Nicholas M. Keller, candidate for the nomination on the Republican ticket has championed the cause of milk producers of Lake county on at least two occasions.

Keller, it is recalled, along with the late O. L. Stanley, gave a helping hand to the milk producers at a time when such assistance was badly needed and their aid bore much weight. This was in the winter of 1923-24.

Raps "Bootleg" Milk

The milk strike during that winter had dragged along for three weeks, when Keller and Stanley, with the consent of Edward Nockels and other prominent Chicago labor leaders, appeared before a joint meeting of the Chicago Federation of Labor to ask aid for the milk producers. Keller in an impressive address urged that the Federation exert its influence to force the Chicago city council to stop shipments of "bootleg" milk into Chicago and restrict shipments of milk to Chicago into the city from only that area known as the 50 mile zone.

The pleas of the two Waukegan men were heeded by the throng of delegates representing practically (Continued on Page 3)

WOMAN'S CLUB TO SPONSOR ART AND MUSIC PROGRAM

A program of unusual merit, sponsored by the Antioch Woman's Club, will be presented at the Antioch Township High School at 8 o'clock Monday evening, April 2.

Julian Stripe, Waukegan, best Chicagoan tenor, will sing, accompanied by Hans von Holwede on the piano. Further musical selections will be presented by the high school orchestra under the direction of Mr. Von Holwede.

The speaker of the evening will be Frank L. Ford of Waukegan, who will lecture on the paintings of J. G. L. Ferris, Philadelphia artist. Ford has slides of many historical paintings, and will give a lecture as he shows them, featuring Lincoln in particular.

The lecture is open to the public without charge.

BROWN INVITES FRIENDS TO FREE DANCE AT DIETZ'S

Edward A. Brown, Avon township supervisor and Republican candidate for sheriff at Lake county, has announced a free dance to be given at Vanhoe, the night of April 4.

AN ECONOMIC CRIME

The annual per capita fire loss in the United States is \$3.00. The average loss in three major European countries is only 60 cents.

That astonishing difference is principally the result of a single cause: The difference in attitude of mind toward fire between the American and the European.

In America it is considered a misfortune to have a fire—in Europe it is a crime, and if a third party's property is damaged the person whose negligence was responsible is apt to be arrested and held liable.

One need not advocate that European legislation of this nature be adopted in this country. But it would be an excellent thing for us all if the European attitude of mind toward fire was more prevalent. Every fire destroys irreplaceable natural resources—and all the insurance money in the world can't bring them back. It can simply pay for part of the damage.

A heavy percentage of fires is directly responsible for increased taxes—inasmuch as when taxpaying property is destroyed the share of the cost of government it paid must be levied against other property. By the same token, fire destroys jobs, investment opportunities, and deprives families of their livelihood.

We all regard arson fires as social crimes—but every fire which is preventable, is an economic crime. That is worth remembering now, when every resource, every effort should be bent toward using to the full all our natural assets in bringing recovery.

BETTER HOMES EASE FINANCING

In the effort to speed recovery, there can be no greater service to the nation at large than to stimulate private construction—both by creating a wider demand for homes, and by making financing easier.

A start has been made, through the Home Loan Banks, toward loosening credit for residential building. Building and loan groups, as the leaders of a number of them have said, should follow. The home-builder himself can help by building a higher-quality structure, both for reasons of economy and comfort, and because the better the home, the more worthy it is of a loan.

Nowadays there is no excuse for building poorly. Methods and materials have been improved—and depression has actually forwarded progress in this field, due to the need to make sales appeal stronger than ever. The jerry-built home is doomed.

Is a house fire-resistant? Is it rigid in construction? Will maintenance cost be low? Has it the modern conveniences that wise buyers demand? These and

similar questions, answered in the affirmative, point the way to better homes for America.

A BILL FOR \$485.00

Suppose a Federal tax collector came to your home and presented a bill for \$485.00, telling you to pay it promptly or your property, investments, savings or anything else you possessed, would be attached to satisfy it?

You would feel outraged. But as the head of a family, you will pay a bill like that whether you know it or not. The amount represents the average family's share of Federal expenditures for 1933, which totaled \$14,500,000,000. Some of it you pay directly, through Federal income, gasoline and similar taxes. The bulk of it, so far as most families are concerned, is paid indirectly. It's part of the cost of shoes, clothing, furniture, food, theatre tickets, automobiles—every necessity and luxury. After you have paid this, you are not through with your tax bill. State, county and city governments are left, all hungry for more money; all taking a constantly rising percentage of your income.

Businesses pay a substantially larger proportion of income in taxes than do individuals. An excessive drain on an industry's till for taxes means less money for wages, purchases and expansion. It means that opportunity to find a job, or hold one you already have, or obtain an increase in pay, has been lessened.

The tax problem affects every investor, every homeowner, every worker, every family. Not one of us escapes its crushing burden. That is why each and every one of us should do his or her part to create efficient and economical government and to study the necessity behind every tax demand from the smallest county seat in the land to the capital at Washington.

SPEED BREEDS DEATH

One of the most serious aspects of the automobile accident problem is a constant increase in the number of fatalities per accident. In 1933, for example, the number injured non-fatally increased 2.2 per cent over 1932—while fatalities jumped 5.9 per cent.

The reason for this is obvious: Excessive speed. It is an incontrovertible maxim that the chance of an accident producing a fatality becomes greater as the speed of cars involved increases. A vivid example of this is provided by comparing last year with 1927. Registrations in 1933 were less than 3 per cent above the 1927 level. The total number of miles driven by passenger cars was little, if any, greater. But there were 17 per cent more deaths.

A recent exhaustive survey produced the fact that excessive speed was responsible for 33 per cent of all automobile deaths. And that term, "excessive speed," needs a definition. There are times when fifteen miles an hour is dangerous and there are times fifty miles an hour is overcautious. Road and weather conditions, the amount of traffic, the experience of the driver, the condition of the car—these factors, rather than a mere speedometer reading, are the tests of safe operating speeds.

Any speed is unsafe if the driver is unable to stop his car in the assured clear distance ahead. Road and weather vary the safety factor.

Study your car and your own capabilities. Discover how soon you can stop at varying speeds. This is indispensable in becoming a safe motorist.

the confirmation of Rodolfo Schenning, Mr. and Mrs. Otto Hanke, Channel Lake, gave a dinner in honor of their son, Otto, Jr., a confirmation in the evening, at which the Jedele family were guests.

Norman Rasch, who spent the winter months at Dundee, Florida, returned home recently.

Mr. and Mrs. Walter Frank entertained at four tables of 600 on Friday evening. Refreshments were served.

Mrs. John Johnson underwent an appendectomy at the Burlington hospital Monday. Dr. Frank Bennett operated.

Grace Sutcliffe, who returned from a Florida vacation Thursday accompanied by Edith Sansom, Merrill McCaul and Kenneth McEwen came out from Oak Park for the day Sunday with Mr. and Mrs. John Sutcliffe.

Mrs. William Stenell and Lawrence Stenell were in Kenosha Thursday to visit with Albert Hanke who has been a patient for several weeks at the Kenosha hospital. Mr. Hanke froze his feet and has had to have all the toes on both feet removed. He will have to undergo another operation before he may leave the hospital.

Reversing the usual procedure of things, the men of Wilmet community were hosts at a perfectly appointed Mother and Daughter banquet, prepared and served by themselves, Thursday evening at the Wilmet high school dining room. Mothers and daughters to the number of 150 attended the banquet.

Following the dinner there was a program at which toasts to the mothers were given by Miss Orace Cary, as senior daughter, and Miss Claudia Vincent as junior daughter. The little Misses Mary Blood and Geraldine Higgins sang a duet dedicated to the mothers. Mrs. Roy Blood was their accompanist at the piano.

The response on behalf of the mothers was given by Mrs. Paul Voss. Miss Marie Floger of Kenosha, was speaker of the evening. She gave an interesting and greatly enjoyed talk on the comradeship between mothers and daughters and ways in which it could be made most helpful and pleasurable to both.

The Mothers Club of the Wilmet Graded School is sponsoring the movie, "Silas Marner," at the Wilmet symposium, Wednesday evening, April 11. The public is invited.

Obituary

George M. Patrick, son of Mr. and Mrs. George Patrick was born on March 25, 1867, in the same room in which he departed this life with a heart attack. He spent his entire life at the old homestead. Received his education at the local school. He made farming, his life work, his kindly disposition and reputation for fair dealing earned the admiration of all whom he had contact. He leaves to mourn his widow, two sons, Byron, Salem; Milton, at home two grandsons, Robert and Ray Patrick, Salem; one brother, Hiram, Burlington; two sisters, Miss Sarah Patrick

and Mrs. A. Perpling, Trevor. All one niece, Mrs. William Kruckman, Burlington. Funeral services were held at the home on Tuesday afternoon and were conducted by Rev. Kistler, Salem, who gave a very comforting talk. His bier was banked high with beautiful flowers—tokens of love and esteem by relatives and personal friends. Burial was in Liberty cemetery in the family plot. Relatives from a distance were: Mr. Fred Sablin, Waterloov, Wis. Mr. and Mrs. Raymond Kinred, Belvidere, Ill. Mr. and Mrs. Will Briden, Chicago; Mrs. Andrew Rafferty, Rockford, Ill. and Mr. Alec Bailey, LaGrange, Ill. The bearers were: Clarence Crowley, Nelson Drom, Arthur Bushing, Henry Schumacher, Willis Sheen and John Mutz, Jr.

Did You Ever Try These Recipes? Do, Please

Apple Sauce Cakes with Apple Whip Frosting

1 scant cup sugar
6 tablespoons shortening, any kind
1/3 teaspoon salt
3/4 cup equal parts raisins and cur-
rants
1 teaspoon soda
1 cup tart apple sauce
1 1/2 teaspoons mixed ground spice
2 cups flour.
Stir the sugar and shortening to-
gether until creamy. Sift the flour,
salt and spice and add the fruit;
then dissolve the soda in a table-
spoon warm water and stir it into
the applesauce. Beat this alternately
with the flour mixture into the
creamed shortening and sugar. Bake
in three small layers in a moderate
oven (350 F) for about thirty min-
utes, then put together with apple
whip frosting, made as follows:

Put two egg whites in a bowl, add
3/4 cup of powdered sugar, two grated
tart apples and a few grains of salt.
Beat with a wire whisk until stiff,
and then beat in two teaspoons gelat-
ine which has been allowed to
stand in two teaspoons of cold water
for a few moments and then melted
over steam. Spread this whip on the
bottom layer to within 1/4 inch of the
edge, wait a few minutes, then
spread on the next layer and continue
until all three layers are in place and
the whip has been used up.

Five-Minute Cabbage
Cook 1 1/2 quarts shredded cabbage
for 2 minutes in 3 cups hot milk.
1 cup cream or rich milk, 2 1/2
spoons butter blended with 2 1/2
spoons flour, and salt and
Cook rapidly for 3 or 4 minutes.
Result is a crisp vegetable,
in flavor and color.

Sauked Cabbage and Apple
Greaso a baking dish.
Layer of shredded cabbage,
sliced apple. Sprinkle with
salt and dot with butter. Re-
peat till dish is filled. On the
place 1 cup buttered crumbs
and bake until cabbage and
apples are tender. Remove the
crumbs can brown. Serve
dish.

Stuffed Prune and Orange
Allow three large, moist
whole coaxed prunes to a pe-
moving the pits and replace
with cream cheese, into which
the mayonnaise or sweet cre-
am, beaten with some paprika, is
beaten. Put a thick slice of
cut crosswise in the center of
plate, pour over a little French
sauce, arrange three stuffed
about edge, add a garnish of
and put a teaspoonful of may
in the center of each orange

Puffed Rice Fudge
2 cups granulated sugar
1/2 cup of evaporated milk
1/2 cup puffed rice
1/2 cup sweet milk
Level teaspoon butter, to
maple flavoring.
Cook sugar, milk and butter

● Certainly it doesn't cost much
to have the convenience and
luxury of this new Thor
Washer. You make a small
down payment and then it is
yours for only 99 cents a week
(payable monthly).

If you are of a mechanical
turn of mind, look under the tub at the Thor Rigidspan chassis. If not,
just skip it and ask your husband his opinion. It shouldn't be over-
looked, because this advanced, improved chassis means longer life and
greater efficiency for the washer.

Other things you'll appreciate are the efficient agitator that
washes better, yet is still gentle on the clothes; the Lovell pressure
wringer, adjustable to five positions; the beautiful porcelain tub; easy
rolling casters and many other features.

Be sure to see this Thor washer. Remember, a small down payment
places it in your home. Visit your Public Service store today for a
demonstration.

SPORTS

By George Slater

Washington Senators—We glance through the Junior League and find Joe Cronin's Washington Senators probably the best team in either league. The team is great, the hitting strong, the defense fine, which augurs well for a championship team. The personnel of the reigning A. L. Champions stands very near the same as the new season approaches as it did in '33. The roster consists of eight infielders, thirteen pitchers, four outfielders and three catchers.

Manager Joe Cronin's big four pitchers will be Al Crowder, Wally Stewart, Monte Weaver, and Earl Whitehill. Russell, Thomas, and Burke will be the able relief hurlers. Edwin Chapman, bought from Rochester, Ray Prim, obtained from Albany, Hal McKain the ex-White Sox, and Phillips, both picked up as free agents, are the newcomers to the hurling staff.

The veteran Luke Sewell, Moe Berg, and Cliff Bolton will do their usual satisfactory work behind the bat.

In the infield, Joe Cronin, the best shortstop in the game, will be at that position with Buddy Myer at second and the able Joe Kuhel at first. The youngsters Cecil Travis and Bob Boken will fight it out with the veteran Bluffs for the regular third base job. But no matter how you look at it, it shapes up as one of the finest defensive and offensive infields any manager could ask for.

Holme, Munish, Fred Schulte and Jonathan Stone, obtained from the Tigers in a trade for Goslin, will make up a strong outer-garden, with Dave Harris and Gus Dugas the ex-Pirates as reserves.

New York Yankees—The second place team in the American League last year was none other than the once invincible Yankees. Joe McCarthy's managers could not manage to hold the pace during the heat of the fight because of injuries and the falling apart of the pitching staff. The Yankees have a number of new names on the roster who should aid their pennant prospects this season. It is my personal

prediction that the Yankees will win the pennant this year.

HIGH SCHOOL NOTES

Senior Play In State Of Formation

If one were to walk across the stage now he would behold an array of paint buckets and beaver board, gypsy tents and gas stations, or what have you?

Now that the cast has been selected and the committees have been chosen, the seniors are very busy working on "Once in a Lifetime." Because of the fact that a play of such varied scenes has never been produced at the high school before, many new drops must be painted. The seniors are doing most of the scenery painting themselves under the direction of Roberta Haase, scenery committee chairman.

The frequent scenic changes necessitated the appointing of a very reliable stage crew.

Louise Rogers will play the part of Carmen instead of Katinka as previously announced.

The play will be presented on the evenings of April 27 and 28, with a different cast each night.

Sara E. McNamara, Publicity Chairman.

Schools to Close for Easter Vacation

With the closing of the grade and high schools Thursday night for a brief Easter vacation, pupils and teachers are making plans for spending the holiday. Miss Helen Hiltcock will spend the time with her mother at Lake Bluff; Miss Harwood at her home in Middleton, Wis. Miss Eleanor Meyer will remain in Antioch. The Fred Hacketts and Thomas Coxes, Miss Cornelia Roberts, Mrs. Ruby Richey and Mrs. Charles Lux will remain in Antioch, while other members of the teaching staff were undecided yesterday.

Miss Eleanor Meyer returned to her duties as fifth grade teacher at the grade school last Thursday after an absence of nearly three weeks due to illness.

The Freshman Class at the high school will issue a Freshman paper this afternoon, containing a resume of class activities during the year, class jokes, mistakes, and prophecies, and general school news.

LAKE VILLA GIRL IS GIVEN SHOWER

Athletic Team of the Grade School Honored at Banquet

The Bridge Club of which Miss Ruth Avery is a member, sponsored a very pretty bridal shower in her honor at the home of Mrs. Fred Hamlin last week Tuesday evening. The guests were seated at a long table decorated with favors in pastel shades, also candles and flowers. The guests took part in various games while seated at the table and while Mrs. C. J. Howitt gave a reading, "The Bride," by Edgar Guest. After a delightful luncheon the prospective bride was presented with gifts of linen from the thirty or more guests assembled in her honor. The party was arranged by Mrs. Fred Hamlin and Mrs. Pederson.

The athletic team of the grade school enjoyed a banquet at the school last Thursday evening, and the parents, teachers and school board were entertained at this time. Since the installation of gas at the school, cooking and serving are much easier.

Mrs. Rawson and two daughters of a Greenwood, Ill., were guests of the Howitt family at the parsonage on Sunday afternoon, and Miss Rawson sang two duets with Clara Howitt at which added to the evening's musical program. The pageant, "The Challenge of the Cross," directed by Mrs. Howitt, was well done and the part of the Evangel was well done by Mrs. Florence Finch. Next Sunday there will be special Easter services and music. Rev. Beuhler will deliver the sermon and you are welcome.

Mr. and Mrs. Ed Tiede entertained Chicago relatives on Sunday.

Mrs. J. A. Pederson spent Friday in Chicago.

The classes in home nursing and care of the sick conducted by Mrs. Boyd have been so interesting that they will be continued for three weeks longer in order to finish the work.

Mrs. Inez Manker returned a week ago from a short visit with her daughter, Mrs. Arlene Gullello and family in Trinidad, Texas, and reports that she likes Illinois very well in spite of changeable March weather.

The Ladies' Aid Society will meet at the Ladies' Aid room on Wednesday afternoon, April 4th, and will receive a cordial welcome. The ladies will present a home talent play, "Last Days of School," on April 11th, so watch for further announcements.

Mr. and Mrs. Peter Mork of Chicago called on friends here Thursday.

The P. T. A. held a very successful card party at the school last Saturday evening and cleared \$15.00 for which they wish to thank all those who so kindly assisted.

MILLBURN CHURCH TO GIVE WLS PROGRAM WITH BOX SOCIAL

Ladies' Aid Dinner to Be Served at the Church Next Thursday

Preparations are going on for the Mock WLS program to be given at the church Tuesday evening, April 3rd. All the artists we hear on the radio will be there, and a good program is assured you for the sum of 15 cents. The program will be followed by a basket-social in the Masonic Hall.

The Ladies' Aid Society will meet at the church Thursday, April 5. Dinner will be served by Mrs. W. M. Bonner, Mrs. A. H. Pierstorff, Mrs. A. O. Hughes and Mrs. Oscar Neuhous. Anyone wishing a good dinner for

opinion that the Yankees' biggest pennant chance this year hinges on "Babe" Ruth's ability to play in a goodly share of the schedule.

Marse Joe's infield will be composed of Larrupin Lou Gehrig at first, probably the rookie Don Heffner at second, Red Holte at short and the veteran Tony Lazzeri at the hot corner. If young Heffner fails to come through at second, McCarthy will have to shift Lazzeri back to his old post and use either Crossett or Larry at third.

The outfield at the start of the season at least, will read: Chapman in left, Dixie Walker or Earl Combe in center and the Bambino in right.

McCarthy's regular pitchers will be: Johnny Allen, Lefty Gomez, Danny McFayden, Red Ruffing and Russ Van Atta. George Uhle and Charles Devens will be the relief hurlers with Jimmie DeShoag, Marvin Duke, Floyd Newkirk and Harry Smythe as the likely looking newcomers.

Bill Dickey, one of the great catchers in the game will do the bulk of the receiving with Joseph Glenn and Art Jorgens his assistants.

250 should take advantage of this opportunity and come to the church at twelve o'clock next Thursday.

Mr. and Mrs. Arthur Johannson and family returned to Millburn after spending six months at Janesville, Wis.

Rev. Holden and daughter, Edith, were guests for dinner at the L. S. Bonner home Sunday.

Mr. and Mrs. Ed Groebel entertained Mr. Groebel's mother and brother from Chicago on Wednesday.

Mrs. Gus Christiansen of Union Grove entertained the Bridge Club at the home of her mother, Mrs. Oscar Neuhous, Friday afternoon.

Mr. and Mrs. Gordon Bonner and daughter, Lois, spent Sunday afternoon at the R. G. Murre home at Russell.

Mr. and Mrs. Matt Thomassen of Grange Hall were callers at the F. G. Edwards home Tuesday afternoon.

Mr. and Mrs. Guy Hughes and family, Mr. and Mrs. Carl Hughes and family, and Mr. and Mrs. E. A. Martin attended the wedding of their nephew, Richard Kennedy, and Miss Virginia Hachmeister, which was held at the bride's home in Antioch Friday evening.

The six members of the Bridge club receiving the highest average scores for the season were entertained by the six lowest at a fine dinner held at the home of Mrs. Archie Webb yesterday noon. The afternoon was spent in playing bridge, many small prizes being awarded for various honors.

The P. T. A. meeting for April has been postponed until April 10 on account of the entertainment at the church.

Callers at the Carl Hughes home Sunday afternoon were Mr. and Mrs. B. H. Miller and Mr. and Mrs. John Suydam, Libertyville.

I appeal to your good judgment when you cast your vote for County Treasurer on April 10th. Having had 7 years training in tax collection work enables me and gives me the ability to handle the complex duties of the County Treasurer's Office.

This should convince you that I can run the office more economically than one who has had less experience and thereby save the taxpayer additional expense.

SUGGEST HAND CRAFTS FOR THE NEW LEISURE

Chapters of Arts and Crafts Guild Carries on Hand Work

With the emphasis of leisure time pursuits in these days of the New Deal, the time-honored ideal of folk arts and handicrafts is beginning to re-occupy its position of importance, and in an editorial in the April Woman's World magazine, the work and purpose of the recently organized Arts and Crafts Guild is described for the benefit of the home maker.

Local chapters of the Guild may be organized in any community where there are sufficiently large numbers of persons interested in hooked rug making, quilting, knitting, weaving and other crafts to warrant the forming of a chapter. Once the chapter is formed the Guild members work to create public interest in the community. Members of local chapters arrange exhibits and demonstrations of craft work from time to time. There will be National Conventions held yearly, the first of which is now being arranged for the summer of 1934. At this convention there will be demonstrations of craft work and exhibits; persons of National importance will speak.

The National chapter will confer medals and money awards yearly to those members who have achieved some outstanding service in the work of the Guild or in the crafts. The Guild is a non-profit making organization, its purpose is service, a part of which will be conducting research for finding new materials and to determine their suitability for craft work. Later a large exchange will be opened where the work of members will be displayed for sale.

ANNUAL TOWN MEETING
NOTICE IS HEREBY GIVEN to the Legal Voters of the Township of Antioch, County of Lake, Illinois, that the Annual Town Meeting of said Township will take place

TUESDAY, THE 3RD DAY OF APRIL, 1934.
Said Town Meeting will open in the Village Hall at the hour of 2 p. m. and after choosing a moderator will proceed to hear and consider reports of officers, to appropriate money to defray the necessary expenses of the township, and to deliberate and decide on such measures as may, in pursuance of law, come before the meeting.

Given under my hand this 19th day of March, A. D. 1934.

C. F. HARDS, Jnn Clerk.

Did You Ever Try These Recipes? Do, Please

Scalloped Sweet Potatoes and Apples
Parboil 3 medium-sized sweet potatoes for 15 minutes. Remove skins and cut potatoes in thin slices. Peel, core and slice 3 medium-sized apples. Arrange a layer of apples in a baking dish, then a layer of potatoes. Sprinkle with 1 cup brown sugar, 1/2 teaspoon salt and a few gratings of nutmeg and dot with 2 tablespoons butter. Continue alternate layers of potato and apples until all is used. Pour 3/4 cup water over and bake in moderate oven (340 degrees) for three-quarters of an hour or until potatoes and apples are tender. This makes six servings.

Shredded String Beans
Melt two tablespoons butter in a heavy iron skillet and add 1 pint shredded cooked pork, 1 teaspoon shredded cooked pork, 1 teaspoon salt, and 1 quart string beans, shredded. Cover and cook for 20 to 25 minutes, turning the beans and pork frequently. Serve on buttered toast. The beans should be young and tender.

Five-Minute Cabbage
Cook 1 1/2 quarts shredded cabbage for 2 minutes in 3 cups hot milk. Add 1 cup cream or rich milk, 2 1/2 tablespoons butter blended with 2 1/2 tablespoons flour, and salt and pepper. Cook rapidly for 3 or 4 minutes. The result is a crisp vegetable, delicate in flavor and color.

Baked Cabbage and Apples
Grease a baking dish. Make a layer of shredded cabbage, then of sliced apples. Sprinkle with sugar, salt and dot with butter. Repeat until dish is filled. On the last layer place 1 cup buttered crumbs. Cover and bake until cabbage and apples are tender. Remove the lid so the crumbs can brown. Serve from the dish.

Stuffed Prunes and Orange Salad
Allow three large, moist prunes, or whole coarser prunes to a person, removing the pits and replacing them with cream cheese, into which a little mayonnaise or sweet cream, together with some paprika, has been beaten. Put a thick slice of orange, cut crosswise in the center of a salad plate, pour over a little French dressing, arrange three stuffed prunes about edge, add a garnish of lettuce and put a teaspoonful of mayonnaise in the center of each orange slice.

Puffed Rice Fudge
2 cups granulated sugar
1/2 cup of evaporated milk
1/2 cup puffed rice
1/2 cup sweet milk
Level teaspoon butter, teaspoon maple flavoring.
Cook sugar, milk and butter to soft

FARM AND GARDEN TOPICS

Record Tree Crop Being Set Out in Illinois This Year

A record number of 151,000 trees are being put out on Illinois farms this spring as part of the plans to speed up the proper utilization of land and bring about better planned agricultural production, according to L. E. Sawyer, forestry extension specialist of the College of Agriculture, University of Illinois and of the Illinois Natural History Survey. This total of 151,000 trees is the largest on record for any one year in forestry projects, sponsored by the extension service of the agricultural college and other agencies, Sawyer said.

Almost half of the 151,000 trees, or about 60,000 of them, are black locust that will be planted for erosion control and the holding of blow sand land in different parts of the state. Twenty-five thousand of the black locust trees are going to farmers in Schuyler county for an erosion control project which Farm Adviser L. E. McKinnis is conducting in cooperation with the extension service of the agricultural college. The First National Bank of Aronville, Cass county, is putting out 22,000 black locust, red pine, pitch pine, white ash and Norway spruce trees.

About 32,000 pitch pine trees will be planted on sandy soils and on worn out farm soils as a timber crop. In addition about 40,000 Norway spruce and white spruce are being planted for Christmas trees and for windbreaks. One planting of 20,000 Christmas trees is being made in De Kalb county, and another of 10,000 in Livingston county.

There are also about 8,000 red pine trees in the 151,000 that will be set out this spring, and the rest are ash, maple and a variety of other species that are to be used in reforestation work. The plantings will be scattered in Hardin, Edwards, Richland, Johnson, Williamson, Vermilion, Piatt, Fulton, Clark and McLean counties, in addition to the several counties mentioned.

Planting for the 151,000 trees is going forward at a time when the outlook for forestry is much brighter than it has been for several years, Sawyer pointed out.

MARTIN C. DECKER

Candidate for Renomination as

Probate Judge

VOTERS OF LAKE COUNTY IN
SELECTING A PROBATE JUDGE

RELY ON THE FACTS

When you first elected Judge Decker to the Probate bench, you carefully considered his qualifications. You had known him as a farm hand in Fremont Township; as a young man working his way through high school and college; as a school teacher in North Chicago, Grayslake, Highwood, Deerfield, and country schools, and finally as a lawyer in North Chicago and in Waukegan. It was on the basis of this record that he became your first Probate Judge.

Since his election to this office, Judge Decker has performed his duties ably, efficiently and economically. Despite persistently circulated reports to the contrary, Judge Decker's temporary leave of absence last year from his duties, on account of illness, did not cost any tax-payer of Lake County, other than himself, a cent. This fact can be directly verified at the office of the County Treasurer. Contrary to the practice in Cook County, he paid his substitute out of his own pocket.

The leading Probate lawyers of the County are unanimously in favor of his reelection. His opponents promise—What? Nothing but what he has always consistently done—and is doing.

On the basis of this record, Judge Decker merits your renomination to this important office on April 10th, 1934.

JUDGE MARTIN C. DECKER PUBLICITY COMMITTEE.

The Printed WORD

The printed word reaches more people sooner than verbal or personal contacts. It has an approach that rivals that of the best salesman; it often gets to where real salesmen fear to tread. If your business seems to be slacking up try reading it the printed word way. You will be rewarded with results.

FARM BUREAU AND THE CANDIDATES

Continued From Page 1

Every local union in the city of Chicago and the Federation drafted a resolution which was sent to the city council. Alderman Oscar Nelson, who also at that time was vice president of the Chicago Federation, presented the issue before the city council and the measure was passed with a large majority vote.

The action of the city council removed the chief reason for complaint on the part of the Milk Producers and the strike ended. For many years previous to this milk producers

of the county had been forced to stand by while milk was shipped into Lake county from non-inspection areas and allowed to stand at local stations overnight to be shipped into the city as a Lake county product, the next morning.

During that strike Keller and Stanley made regular visits to all parts of Lake, McHenry, Kenosha and Walworth counties to counsel with the farmers, report on their own efforts in the fight and to cheer the farmers in their move for better marketing conditions.

Serves on Committee

In another instance, about five years ago, Keller was selected along with W. J. Swayor, of Geneva, to represent the milk producers in a dispute on basic milk prices with Waukegan distributors. James J. Callahan, then head of Callahan's Dairy

and Dr. H. C. Hong represented the distributors. Dr. Bundeson, city health commissioner of Chicago, was chosen as the fifth man on the arbitration commission.

Keller and Swayor fought valiantly for the price desired by the milk producers but were voted down 3 to 2. However, the agreement brought an increase in the basic milk prices obtained by the producers and the settlement was received with satisfaction, generally.

Popular in Baseball Circles

Keller served as commissioner of public works of the city of Waukegan for eight years, from 1923 to 1931 and throughout his career in public office has always fought for the interests of labor and agriculture.

He is, however, almost as well known for his interest in athletics and in the development of athletes in the county. He has maintained base-

DEATH CLAIMS MRS. COSMIN, FORMERLY OF WILMOT & ANTIOCH

Word was received this morning of the death of Mrs. Henrietta Horton Cosmin of Wheeling, formerly of

Wilmot and Antioch, in Chicago Tuesday. Mrs. Cosmin is a daughter of Mr. and Mrs. John Franks of Wilmot, where she was born. Her husband, John Cosmin, preceded her in death four years ago.

She is survived by one son, Raymond Horton, by an earlier marriage with Earl Horton of Antioch; her parents; three brothers, Fred, Walter, Herman, Wilmot; and Eugene, Silver Lake; two sisters, Mrs. Ida Mecklenberg, Wilmot; and Mrs. Frank Zarnstorff, Richmond.

Notice of her death comes as a shock to her friends, as she was less than forty years of age.

Funeral services will be held from the home at Wheeling at two o'clock tomorrow afternoon.
